

# P90 VS P90+

	OlyLife THz Tera-P90	OlyLife THz Tera-P90+
Exterior design		
Technology	<ul style="list-style-type: none"> <li>• PEMF</li> <li>• Terahertz</li> </ul>	<ul style="list-style-type: none"> <li>• PEMF</li> <li>• Terahertz</li> <li>• Radio Frequency</li> <li>• Red Light</li> <li>• 3-in-1 magnetic fusion: pulsed electromagnetic, static magnetic &amp; rotating magnetic</li> <li>• EMS &amp; TENS</li> </ul>
Usage area	Feet	Feet, face, shoulder, neck, waist, limbs
Usage time (minutes)	<b>30</b> Mins	<b>20</b> Mins
Intensity level	<b>1-10</b>	<b>1-20</b>
Enhanced safety fuse protection device	-	✓
Remote control method	Wired control	Infrared light wireless control

## OlyLife THz Tera-P90+ PEMF Integrated Technology

Relax your body to enhance, rejuvenate the skin, radiate youthful glow

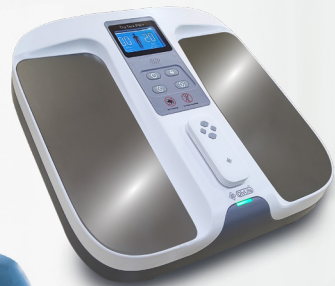

## P90+

- Human charger
- Support general wellness

◆ Pulsed Electromagnetic Magnetic Field (PEMF) & Terahertz

## Revitaluxe Massager

- 3000Gs magnetic energy with mechanical force, it generates a magnetic massage at **6000 rotations** per minute
- **650nm** red light relieve inflammation and promote scalp health
- Provide a 42°C warm vibrating massage
- Relieves fatigue, soothes muscles/ alleviates headaches
- Immersive massage

- ◆ Red Light & Low Frequency PEMF
- ◆ 3-in-1 magnetic fusion: Pulsed Electromagnetic + Rotational Magnetic & Static Magnetic
- ◆ EMS & TENS

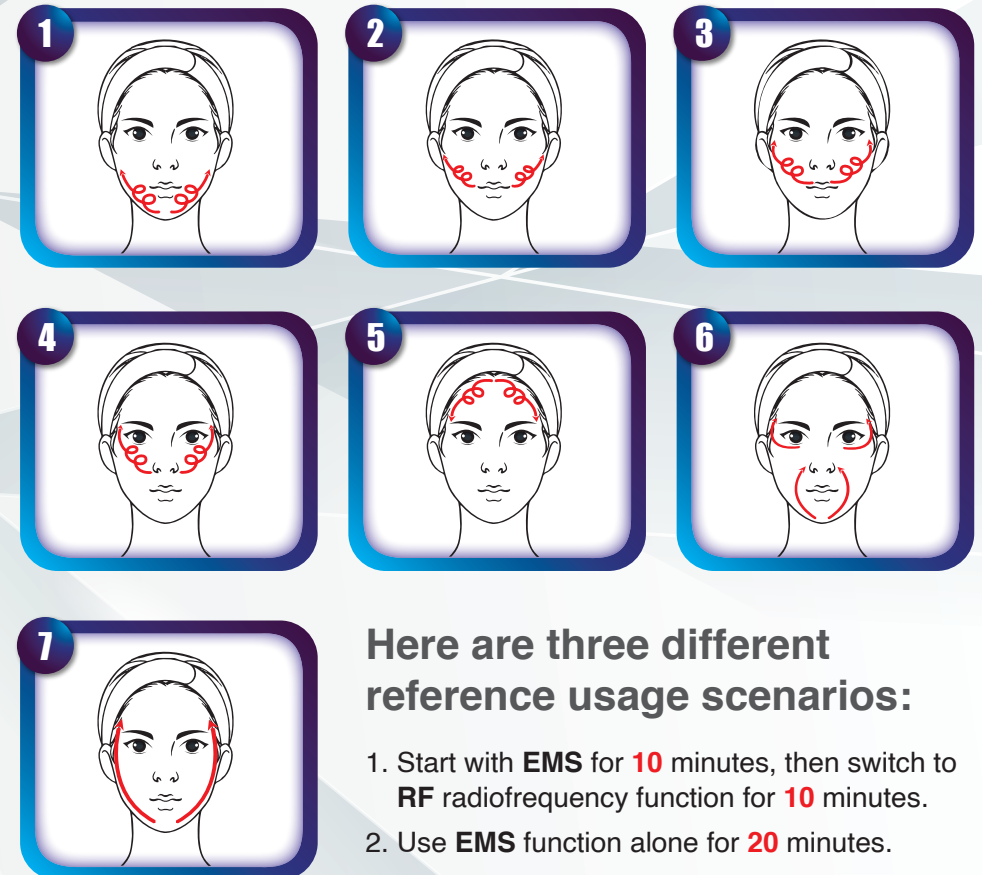

## Frost Age Beauty Device

- Ergonomic handle design, precision applicator head
- Facial beauty, lifting and contours, tighten the skin

◆ Electrical Muscle Stimulation (EMS) & 1 MHz Radio Frequency (RF)

The recommendation usage instruction to use Frost Age Beauty Device

Here are three different reference usage scenarios:

1. Start with **EMS** for **10** minutes, then switch to **RF** radiofrequency function for **10** minutes.
2. Use **EMS** function alone for **20** minutes.
3. Use **RF** radiofrequency function alone for **20** minutes.
